

Communication and Language							
	Birth—11 months	8-20 months	16-26 months	22-36 months	30-50 months	40-60 months	Early Learning Goal
<b>Listening and Attention</b>	Turns toward a familiar sound then locates with accuracy. Listens to, distinguishes and responds to intonations and sounds of voices. Reacts in interaction with others by smiling, looking and moving. Quietens or alerts to the sound of speech. Looks intently at a person talking, but stops responding if the speaker turns away. Listens to familiar sounds, words or finger plays. Fleeting attention - not under child's control, new stimuli takes whole attention.	Moves whole body to sounds they enjoy, such as music or a regular beat. Has strong exploratory impulse. Concentrates intently on an object or activity for short periods. Pays attention to dominant stimulus—easily distracted by noises or other people talking.	Listens to and enjoys rhythmic patterns in rhymes and stories. Enjoys rhymes and demonstrates listening by trying to join in with actions and vocalisations. Rigid attention—may not appear to hear.	Listens with interest to the noises adults make when they read stories. Recognises and responds to many familiar sounds e.g. knock at the door, looking or going to the door. Shows interest in play with sounds, songs and rhymes. Single channelled attention. Can shift to a different task if attention fully obtained—using child's name to help focus.	Listens to others in one to one or small groups, when conversation interests them. Listens to stories with increasing attention and recall. Joins in with repeated refrains and anticipates key events and phrases in rhymes and stories. Focusing attention—still listen or do, but can shift own attention. Is able to follow directions (if not intently focused in own choice of activity).	Maintains attention, concentrates and sits quietly during appropriate activity. Two channelled attention—can listen and do for short span.	Children listen attentively in a range of situations. They listen to stories, accurately anticipating key events and respond to what they hear with relevant comments, questions or actions. They give attention to what others say and respond appropriately when engaged in another activity.
<b>Understanding</b>	Stops and looks when hears own name. Starts to understand contextual clues e.g. familiar gestures, words or sounds.	Developing the ability to follow others body language, including pointing and gesture. Respond to the different things said when in a familiar context with a special person. Understanding of single words in context is developing e.g. cup, milk, daddy.	Selects familiar objects by name and will go and find objects when asked from a group. Understands simple sentences e.g. throw the ball.	Identifies action words by pointing to the right picture e.g. who's jumping? Understands more complex sentences e.g. put your toys away and then we'll read your book. Understands who, what, where in simple questions. Developing understanding of concepts (big/little).	Understands use of objects e.g. what do we use to cut things? Shows understanding of prepositions such as 'under', 'on top', 'behind' by carrying out an action or selecting a picture. Responds to simple instructions e.g. to get or put away an object. Beginning to understand why and how questions.	Responds to instructions involving a two part sequence. Understands humour e.g. nonsense rhymes, jokes. Able to follow a story without pictures or props. Listens and responds to ideas expressed by others in conversation or discussion.	Children follow instructions involving several ideas or actions. They answer how and why questions about their experiences in response to stories or events.
<b>Speaking</b>	Communicates needs and feelings in a variety of ways including crying, gurgling, babbling, and squealing. Makes own sounds in response when talked to by familiar adults. Lifts arms in anticipation of being picked up. Practices and gradually develops speech sounds to communicate with adults, says sounds like 'baba', 'nono', 'gogo'.	Uses sounds in play e.g. 'brmm' for toy car. Uses single words. Frequently imitates words and sounds. Enjoys babbling and increasingly experiments with sounds and words to communicate for a range of purposes. Using pointing with eye gaze to make requests and to share an interest. Create personal words as they begin to develop language.	Copies familiar expressions e.g. oh dear or all gone. Beginning to put two words together. Uses different types of everyday words. Beginning to ask simple questions. Beginning to talk about people and things that are not present.	Uses language as a powerful means of widening contacts, sharing feelings, experiences and thoughts. Holds a conversation, jumping from topic to topic. Learns new words very rapidly and is able to use them in communicating. Uses gestures, sometimes with limited talk e.g. reaches towards toy saying 'I have it'. Uses simple sentences. Beginning to use word endings e.g. going, cats.	Beginning to use more complex sentences to link thoughts. Can retell a simple past event in the correct order. Uses talk to connect ideas, explain what is happening and anticipate what might happen next, recall an relive past experiences. Questions why things happen and gives explanations. Uses a range of tenses. Uses intonation, rhythm, and phrasing to make meaning clear to others. Uses vocabulary focused on objects and people that are of particular importance to them. Build up vocabulary that reflects the breadth of their experiences. Uses talk in pretending that objects stand for something else in play.	Extend vocabulary, especially by grouping and naming, exploring the meaning and sounds of new words. Uses language to imagine and recreate roles and experiences in play situations. Links statements and sticks to a main theme or intention. Uses talk to organise, sequence and clarify thinking, ideas, feelings and events. Introduces storyline or narrative into their play.	Children express themselves effectively showing awareness of listeners needs. They use past, present and future forms accurately when talking about events that have happened or are to happen in the future. They develop their own narratives and explanations by connecting ideas or events.

Literacy							
	Birth—11 months	8-20 months	16-26 months	22-36 months	30-50 months	40-60 months	Early Learning Goal
<b>Reading</b>	Enjoys looking at books and other printed material with familiar people.	Handles books and printed material with interest.	Interested in books and rhymes and may have favourites.	Has some favourite stories, rhymes, songs poems, or jingles. Repeat some words or phrases from familiar stories. Fills in the missing word or phrase in a known rhyme, story or game e.g. Humpty Dumpty sat on a ...	Enjoys rhyming and rhythmic activities. Shows an awareness of rhyme and alliteration. Recognises rhythm in spoken words. Joins in with repeated refrains and anticipates key events and phrases in rhymes and stories. Beginning to be aware of the way stories are structured. Suggests how the story might end. Listens to stories with increasing attention and recall. Describes main story settings, events and principal characters. Shows interest in illustrations and print in books and print in the environment. Recognise familiar words and signs such as own name and advertising logos. Looks at books independently. Handles books carefully. Knows information can be relayed in the form of print. Holds books the correct way up and turns pages. Knows that print carries meaning and, in English, is read from left to right and top to bottom.	Continues a rhyming string. Hears and says the initial sounds in words. Can segment the sounds in simple words and blend them together and knows which letters represent some of them. Link sounds to letters, naming and sounding the letters of the alphabet. Begins to read words and simple sentences. Uses vocabulary and forms of speech that are increasingly influenced by their experience of books. Enjoys an increasing range of books. Knows that information can be retrieved from books and computers.	<b>Children read and understand simple sentences. They use phonic knowledge to decode regular words and read them aloud accurately. They also read some common irregular words. They demonstrate understanding when talking with others about what they have read.</b>
<b>Writing</b>	<p><i>Children's later writing is based on skills and understandings which they develop as babies and toddlers. Before they can write they need to learn to use spoken language to communicate. Later they learn to write down the words they say. See the roots of writing in Communication and Language.</i></p> <p><i>Early mark-making is not the same as writing. It is a sensory and physical experience for babies and toddlers, which they do not yet connect to forming symbols which can communicate meaning. See roots of mark-making and handwriting in Playing and exploring and Physical Development.</i></p>			Distinguishes between the marks they make.	Sometimes give meaning to the marks as they draw and paint. Ascribe meanings to marks they see in different places.	Gives meaning to the marks they make as they draw, write and paint. Begins to break the flow of speech into words. Continues a rhyming string. Hears and says initial sounds in words. Can segment the sounds in simple words and blend them together. Links sounds to letters, naming and sounding the letters of the alphabet. Uses some clearly identifiable letters to communicate meaning, representing some sounds correctly and in sequence. Writes own name and other things such as labels and captions. Attempts to write short sentences in meaningful contexts.	<b>Children use their phonic knowledge to write words in ways which match their spoken sounds. They also write some irregular common words. They write simple sentences which can be read by themselves and others. Some words are spelt correctly and others are phonetically plausible.</b>

Mathematics							
	Birth—11 months	8-20 months	16-26 months	22-36 months	30-50 months	40-60 months	Early Learning Goal
<b>Numbers</b>	Notices changes in number of objects/images or sounds of up to 3.	Develops an awareness of number names through their enjoyment of action rhymes and songs that relate to their experience of numbers.	Knows that things exist, even when out of sight. Beginning to organise and categorise objects. Says some counting words randomly.	Selects a small number of objects from a group when asked e.g. Please give me one. Recites some number names in sequence. Creates and experiments with symbols and marks representing ideas of number. Begins to make comparisons between quantities. Uses some language of quantities, such as more or a lot. Knows that a group of things changes in quantity something is added or taken away.	Uses some number names and number language spontaneously. Uses some number names accurately in play. Recites numbers in order to 10. Knows that objects identify how many objects are in a set. Beginning to represent numbers using fingers, marks on paper or pictures. Sometimes match numeral and quantity correctly. Shows curiosity about numbers by offering comments or asking questions. Compares two groups of objects saying when they have the same number. Shows an interest in number problems. Separates a group of three or four objects in different ways, beginning to recognise that the total is the same. Shows an interest in numerals in the environment. Shows an interest in representing numbers. Realises that not only objects, but anything can be counted, including claps, jumps etc.	Recognise some numerals of personal significance. Recognises numerals 1-5. Counts up to three or four objects by saying one number name for each item. Counts actions or objects which cannot be moved. Counts objects up to 10, and begin to count beyond 10. Count out up to six objects from a larger group. Selects the correct numeral to represent 1-5, then 1-10 objects. Counts an irregular arrangement of up to 10 objects. Estimates how many objects they can see then checks by counting. Use the language of 'more' and 'fewer' to compare two sets of objects. Says the number that is one more than a given number. Finds one more or less from a group of up to five objects, then ten objects. In practical activities and discussion, begin to use the vocabulary involved in adding and subtracting. Records, using marks that they can interpret and explain. Begins to identify own mathematical problems based on interests and fascinations.	Children count reliably with numbers from 1-20, place them in order and say which number is one more and one less than a given number. Using quantities and objects they add and subtract two single digit numbers and count on or back to find the answer. They solve problems including doubling, halving and sharing.
<b>Shape, Space and Measure</b>	<i>Babies early awareness of shape, space and measure grows from their sensory awareness and opportunities to observe objects, and to play and explore.</i>  <i>See characteristics of effective learning—Playing and Exploring, and Physical Development.</i>	Recognises big and small things in meaningful contexts. Gets to know and enjoy daily routines, such as getting up time, mealtimes etc.	Attempts, sometimes successfully, to fit shapes into spaces on inset boards or jigsaw puzzles. Uses blocks to create their own simple structures and arrangements. Enjoys filling and emptying containers. Associates a sequence of actions with daily routines. Beginning to understand that things might happen now.	Notices some simple shapes and patterns in pictures. Begin to categorise objects according to properties such as shape or size. Begins to use the language of size. Understands some talk about the immediate past and future e.g. Before, later etc. Anticipates specific time based events such as mealtimes or home time.	Shows an interest in shape and space by playing with shapes and making arrangements with objects. Shows awareness of similarities of shapes in the environment. Uses positional language. Shows interest in shape by sustained construction activity or by talking about shapes or arrangements. Shows interest in shapes in the environment. Uses shapes appropriately for tasks. Beginning to talk about the shapes of everyday objects.	Beginning to use mathematical names for 3D and 2D shapes, and mathematical terms to describe shapes. Selects a particular named shape. Can describe their relevant position such as behind or next to. Orders two or three items by height. Orders two items by weight or capacity. Uses familiar objects and common shapes to create and recreate patterns and build models. Uses everyday language related to time. Beginning to use everyday language related to money. Orders and sequences familiar events. Measures short periods of time in simple ways.	Children use everyday language to talk about size, capacity, weight, position, distance, time and money to compare quantities and objects to solve problems. They recognise, create and describe patterns. They explore characteristics of everyday objects and shapes and use mathematical language to describe them.

Personal, Social and Emotional Development							
	Birth—11 months	8-20 months	16-26 months	22-36 months	30-50 months	40-60 months	Early Learning Goal
<b>Making Relationships</b>	<p>Enjoys the company of others and seeks contact with others from birth.</p> <p>Gazes at faces and copies facial movements.</p> <p>Responds when talked to e.g. Moves arms.</p> <p>Responds to what carer is paying attention to e.g. Following their gaze.</p> <p>Likes cuddles and being held: calms, snuggles in, smiles etc.</p>	<p>Seeks to gain attention in a variety of ways, drawing others into social interaction.</p> <p>Builds relationships with special people.</p> <p>Is wary of unfamiliar people.</p> <p>Interacts with others and explores new situations when supported by a familiar person.</p> <p>Shows interest in the activities of others and responds differently to children and adults.</p>	<p>Plays alongside others.</p> <p>Uses a familiar adult as a secure base from which to explore independently in new environments.</p> <p>Plays cooperatively with a familiar adult.</p>	<p>Interested in others play.</p> <p>Seeks out others to share experiences.</p> <p>Shows affection and concern for people who are special to them.</p> <p>May form a special friendship with another child.</p>	<p>Can play in a group, extending or elaborating play ideas.</p> <p>Initiates play, offering cues to peers to join them in.</p> <p>Keeps play going by responding to what others are saying or doing.</p> <p>Demonstrates friendly behaviour, initiating conversations and forming good relationships with peers and familiar adults.</p>	<p>Initiates conversations, attends to and takes account of what others say.</p> <p>Explains own knowledge and understanding, and asks appropriate questions of others.</p> <p>Takes steps to resolve conflicts with other children.</p>	<p><b>Children play cooperatively, taking turns with others. They take account of one another's ideas about how to organise their activity. They show sensitivity to others' needs and feelings, and form positive relationships with adults and other children.</b></p>
<b>Self-confidence and Self-awareness</b>	<p>Laughs and gurgles e.g. Shows pleasure at being tickled.</p> <p>Uses voice, gesture, eye contact and facial expression to make contact with people and keep their attention.</p>	<p>Enjoys finding own nose, eyes or tummy as part of naming games.</p> <p>Learns that own voice and actions have effects on others.</p> <p>Uses pointing with eye gaze to make requests, and to share an interest.</p> <p>Engages other person to help achieve a goal e.g. To get an object out of reach.</p>	<p>Explores new toys and environments but 'checks in' regularly with familiar adult as and when needed.</p> <p>Gradually able to engage in pretend play with toys (supports child to understand their own thinking may be different from others).</p> <p>Demonstrates sense of self as an individual e.g. Wants to do things independently.</p>	<p>Separates from main carer with support and encouragement from a familiar adult.</p> <p>Expresses own preferences and interests.</p>	<p>Can select and use activities and resources with help.</p> <p>Welcomes and values praise for what they have done.</p> <p>Enjoys responsibility of carrying out small tasks.</p> <p>Is more outgoing towards unfamiliar people and more confident in new social situations.</p> <p>Confident to talk to other children when playing, and will communicate freely about home and community.</p> <p>Shows confidence in asking adults for help.</p>	<p>Confident to speak to others about own needs, wants, interests and opinions.</p> <p>Can describe self in positive terms and talk about abilities.</p>	<p><b>Children are confident to try new activities, and say why they like some activities more than others. They are confident to speak in a familiar group, will talk about their ideas, and will choose the resources they need for their chosen activities. They say when they do or don't need help.</b></p>
<b>Managing Feelings and Behaviour</b>	<p>Is comforted by touch and people's faces and voices.</p> <p>Seeks physical and emotional comfort by snuggling into trusted adults.</p> <p>Calms from being upset when held, rocked, spoken or sung to with a soothing voice.</p> <p>Shows a range of emotions such as pleasure, fear and excitement.</p> <p>Reacts emotionally to other people's emotions e.g. Smiles when smiled at.</p>	<p>Uses familiar adult to share feelings such as excitement or pleasure, and for 'emotional refuelling' when feeling tired, stressed or frustrated.</p> <p>Growing ability to soothe themselves, and may like to use a comfort object.</p> <p>Cooperates with care giving experiences.</p> <p>Beginning to understand 'yes', 'no' and some boundaries.</p>	<p>Is aware of others' feelings.</p> <p>Growing sense of will and determination may result in feelings of anger and frustration which are difficult to handle e.g. May have tantrums.</p> <p>Responds to a few appropriate boundaries, with encouragement and support.</p> <p>Begins to learn that some things are theirs, some things are shared and some things belong to other people.</p>	<p>Seeks comfort from familiar adults when needed.</p> <p>Can express their own feelings such as sad, happy, cross, scared, worried.</p> <p>Responds to the feelings and wishes of others.</p> <p>Aware that some actions can hurt or harm others.</p> <p>Tries to help or give comfort when others are distressed.</p> <p>Shows understanding and cooperates with some boundaries and routines.</p> <p>Can inhibit own actions/behaviours.</p>	<p>Aware of own feelings and knows that some actions and words can hurt others' feelings.</p> <p>Begins to accept the needs of others and can take turns and share resources, sometimes with support from others.</p> <p>Can usually tolerate delay when needs are not immediately met, and understands that wishes may not always be met.</p> <p>Can usually adapt behaviour to different events, social situations and changes in routine.</p>	<p>Understands that own actions affect other people, for example, becomes upset or tries to comfort them when they realise they have upset them.</p> <p>Aware of the boundaries set, and of behavioural expectations in the setting.</p> <p>Beginning to be able to negotiate and solve problems without aggression e.g. When someone has taken their toy.</p>	<p><b>Children talk about how they and others show feelings, talk about their own and others behaviour, and its consequences and know that some behaviour is unacceptable. They work as part of a group or class, and understand and follow rules. They adjust their behaviour to different situations, and take changes of routine in their stride.</b></p>

Understanding the World							
	Birth—11 months	8-20 months	16-26 months	22-36 months	30-50 months	40-60 months	Early Learning Goal
<b>People and Communities</b>	<p><i>The beginnings of understanding of People and Communities lie in early attachment and other relationships. See Personal, Social and Emotional Development and Communication and Language.</i></p>		<p>Is curious about people and show interest in stories about themselves and their family. Enjoys pictures and stories about themselves, their families and other people.</p>	<p>Has a sense of own immediate families and relations. In pretend play, imitates everyday actions and events from own family and cultural background e.g. Making and drinking tea. Beginning to have their own friends. Learns that they have similarities and differences that connect them to, and distinguish them from, others.</p>	<p>Shows and interest in the lives of people that are familiar to them. Remembers and talks about significant events in their own experience. Recognises and describes special times or events for family or friends. Shows interest in different occupations and ways of life. Knows some things that make them unique, and can talk about some of the similarities and differences in relation to friends or family.</p>	<p>Enjoys joining in with family customs and routines.</p>	<p>Children talk about past and present events in their own lives and the lives of family members. They know that other children don't always enjoy the same things, and are sensitive to this. They know about similarities and difference between themselves and others, and among families, communities and traditions.</p>
<b>The World</b>	<p>Move eyes, the head, to follow moving objects. Reacts with abrupt change when an objects or face suddenly disappears from view. Smiles with pleasure at recognisable play things. Repeats actions that have an effect, e.g. Kicking or hitting a mobile or shaking a rattle. See also <i>Characteristics of Effective Learning—Playing and Exploring, and Physical Development.</i></p>	<p>Closely observes what animals, people and vehicles do. Watches toy being hidden and tries to find it. Looks for dropped objects. Becomes absorbed in combining objects e.g. Banging two objects or placing objects into containers. Knows things are used in different ways, e.g. Ball for rolling or throwing, a toy car for pushing.</p>	<p>Explores objects by linking together different approaches: shaking, hitting, looking, feeling, tasting, mouthing, pulling, turning, poking. Remembers where objects belong. Matches part of objects that fit together e.g. Puts a lid on teapot.</p>	<p>Enjoys playing with small world models such as a farm, a garage, or a train track. Notices detailed features of objects in their environment.</p>	<p>Comments and asks questions about their familiar world such as the place where they live or the natural world. Can talk about some things they have observed, such as plants, animals, natural and found objects. Developing an understanding of growth, decay and changes over time. Shows care and concern for living things and the environment.</p>	<p>Looks closely at similarities, differences, patterns and change.</p>	<p>Children know about similarities and difference in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one another. They make observations of animals and plants and explain why some things occur, and talk about changes.</p>
<b>Technology</b>	<p><i>The beginning of understanding technology lie in babies exploring and making sense of objects and how they behave. See Characteristics of Effective Learning—Exploring and Creating and Thinking Critically.</i></p>		<p>Anticipates repeated sounds, sights and actions, e.g. When an adult demonstrates and action toy several times. Shows interest in toys with buttons, flaps and simple mechanisms and beginning to learn to operate them.</p>	<p>Seeks to acquire basic skills in turning on and operating some ICT equipment. Operates mechanical toys, e.g. Turns the knob on a wind up toy or pulls back on a friction car.</p>	<p>Knows how to operate simple equipment e.g. Turns on CD player and uses remote control. Shows an interest in technological toys with knobs, pulleys, or real objects such as cameras or mobile phones. Shows skill in making toys work by pressing, lifting flaps to achieve effects such as sounds, images or new movements.</p>	<p>Complete a simple program on a computer. Uses ICT hardware to interact with age-appropriate software.</p>	<p>Children can recognise that a range of technology is used in places such as homes and schools. They select and use technology for particular purposes.</p>

Physical Development							
	Birth—11 months	8-20 months	16-26 months	22-36 months	30-50 months	40-60 months	Early Learning Goal
<b>Moving and Handling</b>	<p>Turns heads in response to sounds and sights. Gradually develops ability to hold up own head. Makes movements with arms and legs which gradually become more controlled. Rolls over from back to front. Watches and explores hands and feet e.g. When lying on back lifts legs into vertical position and grasps feet. Reaches out for, touches and begins to hold objects. Explores objects with mouth, often picking up an object and holding it to the mouth.</p>	<p>Sits unsupported on the floor. When sitting can lean forward to pick up small toys. Pulls to standing, holding onto furniture or person for support. Crawls, bottom shuffles, or rolls continuously to move around. Walks around furniture lifting one foot and stepping sideways, and walks with one or both hands held by an adult. Takes first few steps independently. Passes toys from one hand to the other. Holds an object in each hand and brings them together in the middle e.g. Holds two blocks and bangs them together. Picks up small objects between thumb and fingers. Enjoys the sensory experience of making marks in damp sand, paste or paint. Holds pen or crayon using a whole hand grasp and makes random marks with different strokes.</p>	<p>Walks upstairs holding the hand of an adult. Comes downstairs backwards on knees. Beginning to balance blocks to build a small tower. Makes connections between their movement and the marks they make.</p>	<p>Runs safely on whole foot. Squats with steadiness to rest or play with object on the ground and rises to feet without using hands. Climbs confidently and is beginning to pull themselves up on nursery play climbing equipment. Can kick a large ball. Turns pages in a book sometimes several at once. Shows control in holding and using jugs to pour, hammers, books and mark-making tools. Beginning to use three fingers to hold writing tools. Imitates drawing simple shapes such as circles and lines. Walks upstairs or downstairs holding onto a rail two feet to a step. May be beginning to show preference for dominant hand.</p>	<p>Moves freely with pleasure and confidence in a range of ways, such as slithering, shuffling, rolling, crawling, walking etc. Mounts steps, stairs or climbing equipment using alternate feet. Walks downstairs, two feet to each step when carrying an object. Runs skilfully and negotiates space successfully, adjusting speed or direction to avoid obstacles. Can stand momentarily on one foot when shown. Can catch a large ball. Draws lines and circles using gross motor movements. Uses one handed tools an equipment e.g. Makes snips in paper with child scissors. Holds pencil between thumb and two fingers, no longer using whole-hand grasp. Holds pencil near point between first two fingers and thumb and uses it with control. Can copy some letters e.g. Some letters from their name.</p>	<p>Experiments with different ways of moving. Jumps off an object and lands appropriately. Negotiates space successfully when playing racing and chasing games with other children, adjusting speed and changing direction to avoid obstacles. Travels with confidence and skill around, under, over and through balancing and climbing equipment. Shows increasing control over an object in pushing, patting, throwing, catching or kicking it. Uses simple tools to effect changes to materials. Handles, objects, tools, construction materials safely and with increasing control. Shows a preference for a dominant hand. Begins to use anticlockwise movement and retrace vertical lines. Begins to form recognisable letters. Uses a pencil and holds it effectively to form recognisable letters, most of which are correctly formed.</p>	<p>Children show good control and coordination in large and small movements. They move confidently in a range of ways, safely negotiating space. They handle equipment and tools effectively including pencils for writing.</p>
<b>Health and Self-care</b>	<p>Responds and thrives on warm, sensitive physical contact and care. Expresses discomfort, hunger or thirst. Anticipates food routines with interest.</p>	<p>Opens mouth for spoon. Holds own bottle or cup. Grasps finger foods and brings them to mouth. Attempts to use spoon: can guide towards mouth but food often falls off. Can actively cooperate with nappy changing (Lies still, helps hold legs up). Starts to communicate urination, bowel movement.</p>	<p>Develops own likes and dislikes in food and drink. Willing to try new food textures and tastes. Holds cups with both hands and drinks without much spilling. Clearly communicates wet or soiled nappy or pants. Shows some awareness of bladder and bowel urges. Shows awareness of what a potty or toilet is used for. Shows a desire to help with dressing/undressing and hygiene routines</p>	<p>Feeds self competently with spoon. Drinks well without spilling. Clearly communicates their need for potty or toilet. Beginning to recognise danger and seeks support of significant adults for help. Helps with clothing e.g. Puts on hat, unzips zipper on jacket. Beginning to be independent in self-care but still often needs adult support.</p>	<p>Can tell adults when tired or hungry or when they want to rest or play. Observes the effects of activity on their bodies. Understand that equipment and tools need to be used safely. Gains more bowel and bladder control and can attend to toileting needs most of the time themselves. Can usually manage washing and drying hands. Dresses with help e.g. Puts arms into open fronted coat or shirt when held up, pulls down own trousers etc.</p>	<p>Eats a healthy range of foodstuffs and understands the need for a variety in food. Usually dry and clean during the day. Shows some understanding that good practices with regard to exercise, eating sleeping and hygiene can contribute to good health. Shows understanding of the need for safety when tackling new challenges. And considers and manages some risks. Shows understanding of how to transport and store equipment safely. Practices some appropriate safety measures without direct supervision.</p>	<p>Children know the importance for good physical health of physical exercise, and a healthy diet, and talk about ways to keep healthy and safe. They manage their own basic hygiene and personal needs successfully, including dressing and going to the toilet independently.</p>

Expressive Arts and Design							
	Birth—11 months	8-20 months	16-26 months	22-36 months	30-50 months	40-60 months	Early Learning Goal
<b>Exploring and Using Media and Materials.</b>	<i>Babies explore media and materials as part of their exploration of the world around them. See characteristics of Effective Learning—Playing and Exploring, Physical Development, Understanding the World—The World.</i>	Explores and experiments with a range of media through sensory exploration. Move their whole bodies to sounds they enjoy, such as music or a regular beat. Imitates and improvises actions they have observed e.g. Clapping, waving. Begins to move to music, listen to or joining with rhymes or songs. Notices and is interested in the effects of making movements which leave marks.	Joins in singing favourite songs. Creates sounds by banging, shaking, blowing or tapping. Shows an interest in the way musical instruments sound. Experiments with blocks, colours and markers.	Enjoys joining in with dancing and ring games. Sings a few familiar songs. Imitates movements in response to music. Taps out simple repeated rhythms. Explores and learns how sounds can be changed. Understand that they can use a line to enclose a space, and then begin to use these shapes to represent objects. Beginning to be interested in and describe the texture of things. Uses various construction materials. Beginning to construct, stacking blocks vertically and horizontally, making enclosures and creating spaces. Join construction pieces together to build and balance. Realise tools can be used for a purpose.	Enjoys joining in with dancing and ring games. Sings a few familiar songs. Imitates movements in response to music. Taps out simple repeated rhythms. Explores and learns how sounds can be changed. Understand that they can use a line to enclose a space, and then begin to use these shapes to represent objects. Beginning to be interested in and describe the texture of things. Uses various construction materials. Beginning to construct, stacking blocks vertically and horizontally, making enclosures and creating spaces. Join construction pieces together to build and balance. Realise tools can be used for a purpose.	Begins to build a repertoire of songs and dances. Explores the different sounds of instruments. Explores what happens when they mix colours. Experiments to create different textures. Understand that different media can be combined to create new effects. Manipulates materials to achieve new effects. Constructs with a purpose in mind, using a variety of resources. Uses simple tools and techniques competently and appropriately. Selects appropriate resources and adapts work where necessary. Selects resources and adapts work where necessary. Selects tools and techniques needed to shape, assemble and join materials they are using.	<b>Children sing songs, make music and dance and experiment with ways of changing them. They safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.</b>
<b>Being Imaginative</b>	<i>Babies and toddlers need to explore the world and develop a range of ways to communicate before they can express their own ideas through art and design. See characteristics of Effective Learning: Communication and Language; Physical Development: Personal, Social and Emotional Development.</i>	Express self through physical action and sound. Pretend that one object represents another, especially when objects have characteristics in common.	Beginning to use representation to communicate. Beginning to make believe by pretending.	Developing preferences and forms of expression. Uses movement to express feelings. Creates movement in response to music. Sings to self and makes up simple songs. Makes up rhythms. Notices what adults do, imitating what is observed when the adult is not there. Engages in imaginative role play based on own first hand experiences. Builds stories around toys e.g. Farm animals, needing rescue from and arm chair. Uses available props to support role play. Captures experiences and responds with a range of media, such as music, dance and paint and other materials or words.	Developing preferences and forms of expression. Uses movement to express feelings. Creates movement in response to music. Sings to self and makes up simple songs. Makes up rhythms. Builds stories around toys e.g. Farm animals, needing rescue from and arm chair. Uses available props to support role play. Captures experiences and responds with a range of media, such as music, dance and paint and other materials or words.	Create simple representations of events, people and objects. Initiates new combinations of movement and gesture in order to express and respond to feelings, ideas and experiences. Choose a particular colour to use for a purpose. Introduces a storyline or a narrative into their play. Plays alongside other children who are engaged in the same theme. Plays cooperatively as part of a group to develop and act out a narrative.	<b>Children use what they have learnt about media and materials in original ways, thinking about their uses and purposes. They represent their own ideas, thoughts and feelings through design and technology, art, music, dance, role play and stories.</b>
